

Upgrade Redemption Form for Upgrade Version of Windows Vista™ Business 64-bit Edition

Redemption Form Number
22102620068798769613

For Distribution Only with a qualifying new PC preloaded with Windows® XP Professional x64 Edition from an Authorized System Builder

Windows Vista is designed for systems that meet minimum hardware requirements. PCs upgraded to Windows Vista that meet minimum hardware requirements will be able to run the core experiences of Windows Vista, such as innovations in organizing and finding information, security, and reliability. Some features available in premium editions of Windows Vista—like the new Windows Aero™ user interface—require advanced or additional hardware. Check with your system builder to ensure that your PC will be able to run the features and version of Windows Vista that is right for you, or visit www.windowsvista.com/getready for more information.

ELIGIBILITY REQUIREMENTS

You must provide all the required documents and complete this original upgrade redemption form to be eligible for this upgrade.

ORDERING INSTRUCTIONS for upgrade version of Windows Vista Business 64-bit Edition:

1. This offer is available if you have purchased a PC preloaded with genuine Windows XP Professional x64 Edition between October 26, 2006 and March 15, 2007 from an authorized system builder.
2. Verify that your receipt for your PC preloaded with Windows XP Professional x64 Edition shows that your purchase date falls between the dates listed above. No exceptions will be made.
3. Submit your order and credit card payment online through the site listed in Online Ordering section. Redeeming this offer requires Internet access. Internet service charges may apply. Upon submission, you will receive an order confirmation number.
4. Mail to the address listed in Online Ordering section: (i) this completed upgrade redemption form, including the online order confirmation number in the space provided and (ii) a copy of your receipt from your authorized system builder. Only original upgrade forms supplied by an authorized system builder will be accepted.
5. Submissions must be completed online and postmarked by March 31, 2007.

Any personal information we collect from you on this form may be shared between Microsoft and ModusLink. For complete information on the data collection and use practices of each company, please read the full privacy statements at <http://upgradeweb.moduslink.com/privacy>.

Offer Terms and Conditions

1. Follow the ordering instructions on this redemption form. Microsoft is not responsible for incomplete, illegible, late, lost, mutilated, misdirected or postage-due requests, fraudulent submission of multiple requests, or providing false information in a request. Such requests will disqualify your submission. Microsoft and ModusLink may deny and/or discard any submission deemed to be false or fraudulent.
2. This form may not be reproduced or redistributed without the express written permission of Microsoft.
3. Offer void where prohibited or restricted by law. Limit one upgrade redemption per qualifying new PC. Offer may not be combined with other Microsoft offers or rebates. Cash redemption value 1/100 of 1 cent.
4. Your upgrade software will be in the same language as the preloaded version of Windows XP Professional x64 Edition that you licensed on the qualifying new PC. You may only install the upgrade software on that PC.
5. The upgrade software will ship within approximately 6–8 weeks from the later of the date your completed redemption is received or the applicable language version has been released in your country. This offer is subject to product availability and product supplies.

Microsoft reserves the right to determine availability of upgrade software, to exclude certain language versions, and to end this offer at any time. If the upgrade you have ordered is not available, you will receive a refund for the amount paid for the upgrade. This will be your sole remedy.

Notices—Hardware Requirements and Upgrade Availability

Premium Windows Vista features available in premium editions of Windows Vista require advanced or additional hardware. Windows Vista Upgrade Advisor can help you determine which features and edition of Windows Vista will run on your computer. To download the tool, visit www.windowsvista.com/upgradeadvisor. For complete Windows Vista system requirements, visit www.windowsvista.com/systemrequirements.

Important Upgrade Information: The upgrade software is available on DVD or CD media. A DVD-ROM or CD-ROM drive is required to install the upgrade software. Upgrade software must be installed on your PC with Windows XP preloaded. Back up all your files and settings before upgrading. You may be required to perform a clean install of Windows Vista and then reinstall your existing files, settings, and programs. See your system builder or www.microsoft.com/windowsvista/getready/upgradeinfo.aspx for details.
